Senate Committee Votes  
To Give Favorable Report  
To Nomination of  
George Allen

## ICKES IS IN HOT SPOT

Washington, Feb. 8.—(P)—The senate banking committee voted to give a favorable report on President Truman's nomination of George E. Allen, a presidential adviser, as a director of the Reconstruction Finance Corporation.

The nomination of the former secretary of the Democratic national committee now goes to the senate, where administration lieutenants said they are confident of eventual confirmation.

The committee action came after a one-day hearing in which Allen, 49-year-old former District of Columbia commissioner, told the committee that if confirmed he will give up his \$22,000 a year job as vice president and secretary of the Home Life Insurance Co., New York, to take the \$10,000 government post for a two-year term.

The nominee, who said President Truman often had asked him to double check, on suggested appointments, planned to retain directorships in 25 corporations which he testified boosted his annual income to about \$50,000.

He promised, however, that he would not interfere with government personnel at any time in behalf of his business associates.

Approval of Allen leaves before the banking committee the controversial nomination of Commerce Secretary E. V. Raskin, Jr., President Truman's naval aide, for a year term on the Federal Reserve Board. Hearings on the appointment are expected to begin Feb. 12.

Before the senate naval committee is a third contested nomination, that of Edwin W. Pauley, former Democratic national treasurer, to be under secretary of the navy.

President Truman's determination to stick by his choice of Pauley stirred congressional speculation, meanwhile, that Interior Secretary Ickes soon may quit.

A number of legislators wondered privately whether Ickes' position might become untenable as the result of Mr. Truman's action in seemingly siding with Pauley as secretary of the interior in the year's hottest political dispute.

Ickes himself brushed aside reporters' queries on the point with terse, "I haven't anything to say."

As an aftermath of Mr. Truman's news conference comments on the Pauley-Ickes dispute, administration lieutenants who defined use of their names said the White House asked them to go down the line to what many think is a certain defeat for the California appointment to be under secretary of the navy.

Some senators said they thought Ickes might regard the reported White House request as a "no-confidence" signal.

Ambassador Berle  
Offers Resignation

Rio De Janeiro, Brazil, Feb. 8.—(P)—Adolf Berle Jr., U. S. Ambassador to Brazil, announced today he had submitted his resignation to President Truman.

Berle, a former assistant secretary of state, presented his credentials as ambassador a little over a year ago, Jan. 30, 1945. He closed that President Truman had agreed to release him after the new government of President Eurico Gaspar Dutra had been installed in office. Gaspar's inauguration took place on Feb. 21.

This is the second important change in the U. S. diplomatic office in South America recently. Bruland, ambassador to Argentina, became an assistant secretary of state.

G. O. P. Leaders Far Apart  
On Gubernatorial Candidate

Harrisburg, Feb. 8.—(P)—Governor Martin called a special news conference for late today (4 p. m.) and speculation developed immediately that he may announce his answer to Republican pleas that he run for the U. S. senate.

The governor's office, in calling the conference, gave no indication as to its purpose.

The announcement came as Republican leaders were reported to be as far apart as ever in their choice for Martin's running mate. Should the governor decide to see the party nomination for the seat now held by U. S. Senator Joseph P. Guffey? GOP Chairman M. Harvey Taylor said last week the party's executive committee would be called into session to discuss the rest

Bread - for - Europe Program  
Touches Off Rumbblings Of  
Congressional Opposition

Washington, Feb. 8.—(P)—President Truman's bread-for-Europe program touched off rumbblings of opposition in congress today, and it led Alf M. Landon to contend the Roosevelt administration was partly responsible for the food shortage abroad.

First tangible hint of disapproval was the introduction of a bill by Rep. Edwin A. Hall (R-NY) to ban the export of foodstuffs temporarily until it is determined that American consumers will be assured "the present amount of white bread."

Mr. Truman's plan for cutting American wheat consumption also drew questioning comment from other lawmakers unenthusiastic about the dark bread it will mean on the nation's menu.

Landon, 1936 Republican nominee for president, stepped into the incipient debate by attributing the food situation in Germany, at least, to what he termed the "cruel and inhuman" plan formulated by former Secretary of the Treasury Morgenthau for treatment of the conquered Reich.

In New York, Morgenthau said: "I recommend that Mr. Landon buy a copy of my book and read it. He obviously doesn't know what he is talking about. I think his statement is vicious."

"Mr. Truman went to Potsdam, x x x The policy that followed is the result of his meeting with representatives of Great Britain and Russia."

Meanwhile, there was additional evidence of government concern over current crops. Officials who are in a position to know disclosed privately that the United States is seeking to arrange for the importation of at least 50,000 Mexican farm laborers on a temporary basis to help toward the coming harvest. The plan would be similar to that in effect during the war when the manpower pinch was tightest.

By OVID A. MARTIN  
Associated Press Farm Writer  
Washington, Feb. 8.—(P)—Are Americans going to have plenty to eat next year?

That depends on the weather, and there is at least one disquieting sign after nine consecutive years of good to record harvests. As a new crop season approaches, this country finds itself more dependent on the uncertainties of wind, rain and hail than ever before in its modern history. Already dust is swirling again on the fringes of the one-time "dust bowl."

The reason the weather is more important than usual is found in these two facts:

In case grain crops are cut short by drought, floods or other causes, there will be insufficient domestic reserves available.

2—There will be no other country to turn to for help. There are no large grain surpluses anywhere in the world. The war and southern hemisphere droughts during the past two seasons have wiped out the one-time oversupply.

Decision On  
UNO Site May  
Be Postponed

By JOHN M. HIGHTOWER

London, Feb. 8.—(P)—A French proposal that the United Nations delay until next September the selection of permanent headquarters in the United States appeared today to have become a central issue in the fight whether the headquarters should be placed in or near New York at all.

Senator Arthur Vandenberg, U. S. delegate, declared last night that he considered fantastic the idea that the United Nations needed "anything like 45 square miles of the high priced area" proposed on the New York-Connecticut border.

Led by France, anti-New York forces took the Vandenberg statement as a rallying point. When the general assembly's site committee adjourned today until Saturday votes were lining up steadily on both sides.

Soviet Chief  
Demands Just  
Retribution

By DANIEL DE LUCE

Nuernberg, Feb. 8.—(P)—Debanding the certain punishment of Hermann Goering and 20 other Nazi leaders, a Red general charged the international military tribunal today that the defendants have developed "the morals of cannibals and the greed of burglars in an entire generation of Germans."

Twice within the first five minutes of his opening statement to the tribunal, Soviet Chief Prosecutor Lt. Gen. Roman Andreievich Rudenko called for "just retribution and severe punishment" for the men who directed "a mechanism for the determination of millions of innocent people."

Rudenko asserted that "all of Germany's aggressive actions against a number of European states during the period between 1938 and 1941 were actually only preliminary measures for the main blow in the east." He quoted German General Buschenhagen as disclaiming that the Soviet invasion plan was expounded at a supreme headquarters near Berlin in December, 1940.

Rudolf Hess, one of the defendants at the war crimes trial, was taken ill during the noon recess today and was removed from the court building to a cell for medical examination.

Hess was stirred to unusual excitement yesterday by the British presentation of the case against him. The British prosecution said Hess flew to England in 1941 with the avowed purpose of overthrowing the Churchill government and paving the way for a German-dictated peace.

EARLY END TO LIQUOR  
RATIONING NOT SEEN

Harrisburg, Feb. 8.—(P)—Pennsylvanians hoping for an early end to liquor rationing got no encouragement today from the liquor control board, which said that President Truman's order for the conservation of grain "will tend to decrease the supply of liquor."

"Shipments are coming in right now," a spokesman for the board said, "but the effect of the conservation order probably will be felt soon."

T rationing of certain types of whiskey began in Pennsylvania on November 15, 1943. A last two-week period that has been announced expires March 2, but the board's announcement indicated that other periods will be arranged later.

Trolleys Break  
Picket Lines  
At Lancaster

By RALPH WALLIS

Lancaster, Feb. 8.—(P)—Six trolleys and four buses broke through picket lines today in another attempt of the strike-bound Conestoga Transportation Company to resume operations with volunteer drivers led by former GIs.

Approximately 100 townspeople crowded a church lawn across the street to watch club-wielding policemen push pickets aside as the vehicles emerged from the company car barn.

Yells of "scab" came from the picket lines just as yesterday, when five of the concern's 25 trolleys clanged into service. Strikers quit their marching about barn gates shortly afterward.

The pickets refused to let the company automobile leave the plant ahead of the trolleys, but police finally cleared a path. Twenty-eight policemen had ridden in patrol wagons at 8 a. m. and 50 minutes later shoved pickets out of the way for 23 volunteer drivers to reach the barns.

Several of those entering the barn today wore army uniforms. Nine ex-GIs, who first cracked the picket line, slept overnight in the car barns. All but one formerly were employed by the company.

There was just a brief flurry of excitement yesterday as the trolleys rumbled into the street, marking partial resumption of service. Shouts of "scab" came from pickets. On sooner had the last trolley disappeared than the picket line broke up, with the union members attending a rally.

FILIBUSTER  
OVER F. E. P. C.  
BILL HALTED

Backers of Measure Run Up  
White Flag Paving Way  
For Resumption of Business  
In Senate

## PLAN LIMIT ON DEBATE

Washington, Feb. 8.—(P)—Backers of the Fair Employment Practice bill ran up the white flag today, thus opening the way for resumption of business in the senate.

Southerners who have filibustered against the proposal since Jan. 17 agreed to a vote tomorrow on a motion to limit debate, knowing in advance the necessary two-thirds majority would not be forthcoming.

Then the bill, which would create a permanent commission to police industry, unions and government against racial or religious discrimination, will be returned to the senate calendar. It could stay there indefinitely.

The Case strike control bill, stamped with house approval by more than a 100-vote majority, arrived at the senate labor committee for a cool reception.

Committee members predicted it might be weeks before they would be ready to recommend any strike legislation to their chamber, let alone the Case bill with its controversial penalties for contract-breaking, violence on the picket lines and boycotts.

President Truman's decision to stand by his nomination of Edwin C. Pauley for undersecretary of the navy removed the last chance for administration lieutenants to retreat from what they described privately as a hot spot.

They had thought there was a chance the president would withdraw the nomination in view of the controversy between Secretary of the Interior Ickes and Pauley over the nominee's oil connections.

Ickes told the senate naval committee Pauley suggested in 1944 that California oil men would contribute \$300,000 to the Democratic party campaign fund if the government would not press a claim for tideland oil properties. Pauley said Ickes was mistaken. Mr. Truman said yesterday he was satisfied his nominee was an honest man.

But some majority leaders on Capitol Hill declared they still believed the senate would refuse to confirm the nomination.

The president's plan for the U. S. to economize on grain for the sake of the starving abroad was receiving mixed reaction on Capitol Hill.

Proposal Of  
PTC Studied  
By CIO Union

Philadelphia, Feb. 8.—(P)—CIO Union officials weighed today a Philadelphia Transportation Company proposal to submit their wage dispute to arbitration.

Leaders of Local 234, Transport Workers Union, CIO, arranged to resume their deliberations this afternoon after a meeting last night failed to reach a decision.

This was the only ray of hope that the company and the union might get together in time to forestall the transit strike scheduled to begin at 12:01 a. m. Monday.

The Philadelphia Transportation Company proposed yesterday to submit the wage disputes involving a CIO and an AFL Transit local to arbitration.

The executive board of the CIO's Transport Workers Union, local 234, studied the management's proposal at a 90-minute session last night but would not comment. Nor was there any immediate reply from the AFL local.

Charles E. Ebert, president of PTC, asked that the company appoint one arbitrator, the union a second and that the arbitrators select a third member to complete a three-man panel.

Should the strike materialize, transportation facilities for the more than 3,000,000 persons in the Metropolitan Philadelphia area would be paralyzed to the tune of more than two years. Government seizure ended a six-day strike in August, 1944.

SAYS LINDBERGH FLEW  
FIFTY PILOT MISSIONS

New York, Feb. 8.—(P)—Col. Charles MacDonald relates in the current issue of Collier's Magazine how Charles A. Lindbergh, while a civilian aircraft observer, downed a Jap plane which had escaped destruction by four veteran American fighter pilots.

Lindbergh, the writer says, flew 50 fighter pilot missions against the Japanese while an observer for the United Aircraft Corp.

## Shop Owner's Sign Fights Strike

Sign in his shop window states the attitude of Clifford Penn, right, Madison, Wis., electric shop owner. International Brotherhood of Electrical Workers struck when Penn refused to fire Donald Hilgers, left, former Army flier, whom the union claimed was behind in dues, and charged Penn had too many apprentices.

Broadway Lights Doused To  
Conserve Fuel During Strike

New York, Feb. 8.—(P)—The world's greatest city wore its drab, brown coat again today—the coat it thought it had put away for good at the end of the war.

Along Broadway giant advertising display signs and gleaming theatre marquees were doused in compliance with Mayor O'Dwyer's "lights out" proclamation to conserve fuel during the tugboat strike.

The revolving news bulletins on the Times building, the animated cartoons and the cigarette sign that blows smoke rings were among principal victims of the dimout.

Only the street lamps and lights from within stores and amusement places—not affected by the order—kept the area from hitting its wartime gloom.

And in the tangled miles of subways, the rattling trains ran without heat.

The Broadway commercial signs began to fade shortly after the issuance of the O'Dwyer order Wednesday night and by last night all were shut off.

But veteran policemen in Times Square noted little difference resulting from the decreased lighting.

"The crowds here are more interested in places and people than lights," one said.

And a cab driver commented:

"It doesn't make much difference now. There aren't any yokes in town anyway because of the shortage of hotel rooms, and New Yorkers are too busy to stop and look at signs."

Madison Square Garden reported it had enough fuel to heat the arena for two weeks, while night clubs and amusement establishments said they had enough fuel for at least a week.

Edmond C. Collins, vice-president of the Fifth Avenue Coach Company and the New York City Omnibus Corporation, said the firms' problem was not heating buses but running them. He said there was only enough gasoline for two days.

RESCUED FIREMAN IS  
RECOVERING RAPIDLY

Homestead, Feb. 8.—(P)—Fireman Joseph M. O'Hanlon, rescued after a six-hour tryst with death—pinned in the cellar of a burning building—is going to get well.

Though it is only two days since his harrowing experience, O'Hanlon is practically a new man and doctors say he can leave Homestead hospital as soon as circulation is fully restored in his bruised legs, pinioned for long hours under a bathtub.

"I know what it's like to be buried alive," declared the 48-year-old houseman, running a hand nervously over his sparse gray hair.

He and a fellow fireman, James Grove, 44, were trapped in the basement of Ralph's Hotel when the first floor of the blazing building gave way under their feet. Grove was dead when rescuers reached him.

PIPER CORP. FORCED  
TO LAY OFF 1,900

Lock Haven, Feb. 8.—(P)—Approximately 1,900 employees at the Piper Aircraft Corporation plant will be furloughed tonight because the company said it has been unable to obtain steel parts due to the steel strike.

Company officials said operations will be resumed when the necessary parts for Piper Cub airplanes become available again.

## SCHUYLKILL MAN DIES

Pottsville, Feb. 8.—(P)—Frank W. Lieb, 83, former Schuylkill county treasurer, Pottsville city treasurer and postmaster from 1909 to 1913, died today in Pottsville Hospital.

TRUMAN CANCELS PLANS FOR  
SOUTHERN TRIP BECAUSE OF  
CRITICAL STRIKE SITUATION

By the Associated Press  
A showdown in efforts to settle the vast steel and other major strikes appeared imminent today when President Truman cancelled his planned Florida vacation because of "the immediate critical situation" requiring his attention.

At the same time, a mass meeting of 20,000 striking steel workers was called in Baltimore Sunday, District USW Director Albert Atallah announced, because "we expect important developments and believe it will be necessary to call the membership together at that time."

White House aids said the labor crisis and related wage-price policy question were involved in the president's decision.

As government and labor leaders sought to bring a quick end to the steel strike, telephone operators in Washington, D. C., voted 10 to 1 in favor of a strike for higher wages. The Independent Washington Telephone Traffic Union, whose members quit work twice recently, said the operators approved a strike within two weeks either over local issues or in connection with a possible nationwide strike by the National Federation of Telephone Workers.

As work stoppage throughout the country left a near all-time high of more than 1,400,000, the labor picture indicated:

Possible settlement of the 19-day old strike of 750,000 CIO Steel Workers which also has made idle more than 100,000 workers in allied industries.

An end of the strike by 3,500 tugmen in New York which has tied up the city's harbor and sharply reduced fuel and food supplies.

Possible approval by one union of a federal fact-finding board's proposal for a 16 cents an hour wage increase for meat industry production workers.

And cancellation of a scheduled two-hour work stoppage in the metropolitan New York area ordered by the Greater New York City Council in support of striking Western Union Employees.

The wage dispute in the steel industry held major attention and government and union officials expressed hopes for a quick end

Panel Calls for 16 Cents An  
Hour Hike for Meat Workers

Washington, Feb. 8.—(P)—The government today offered a 16 cent an hour wage boost—lightly tied to larger subsidies or higher meat prices—as its prescription for settling the meat industry's wage dispute.

The plan, proposed last night by a federal fact-finding board, immediately ran into industry opposition, approval by the AFL union involved, and a non-committal attitude by the CIO.

Under its terms, five major packing companies were asked to raise the wages of 90,000 production workers 16 cents an hour, absorb five cents of the added labor cost, and receive added federal subsidies or price relief to cover the 11-cent balance. Companies involved are Swift, Armour, Cudahy, Wilson, and John Morrell.

In Chicago, the American Meat Institute, a trade organization, termed the fact-finders' recommendation "unfair to the industry" and said the companies were unable to absorb any part of the proposed wage increase.

Officers of the Amalgamated Butchers announced that the wage proposal did not meet their demands but that workers' acceptance would be urged "at this time." President Lewis Clark of the CIO Packinghouse Workers said he would call an immediate meeting of his national wage and policy conference in Chicago to act on the proposal.

"In the interim," Clark said, "we will watch with interest what action the government takes in order to implement the recommendation."

Under the fact-finding plan, the wage increase would be retroactive to Jan. 26—the date the government seized meat-packing plants.

Secretary of Agriculture Anderson, now the nation's boss butcher, said he would present the findings to the Wage Stabilization Board today for approval. Withdrawal of authorization from the board, the wage increase cannot be placed in effect.

Secretary of Labor Loses His  
Broad Grin In Less Than Year

Washington, Feb. 8.—(P)—Lew Schwollenbach, the smiling, cigar-chewing federal judge who answered President Truman's plea for help and became secretary of labor, has lost his broad grin in less than eight months.

The once talkative, affable ex-senator also has lost his "tongue" in the recurring labor crises that have descended upon him since last July 1, when he took office.

He has "clammed up" completely to reporters who now are forced to look everywhere but to the labor secretary for news of the day-to-day conferences in which he takes part.

As a result, the information they glean, while from other qualified officials, usually must be attributed to some anonymous source. Their informants, more often than not, are in no position to speak out publicly because of government protocol and their own positions.

On occasion these anonymous sources range from presidential advisors to information directors of industry and labor as well as government agencies involved.

The labor department itself currently is a dry well so far as news is concerned.

Schwollenbach's press chief, Leslie Elchel, says the White House has ruled that the principals in the all-important conferences over labor matters must refrain from discussing them.

## Ludlow Drive For Scout Fund Is Progressing

Enock Nelson, chairman of the Boy Scout finance drive in Ludlow, announced today that the group have started their drive for funds for the Warren County Council, Boy Scouts of America. The amount collected to date was \$131.

Nelson is assisted in the drive by men from Ludlow who have been interested in Scouting for some time and include Walter S. Cox, vice president of the Warren County Council; Gustav Olson, vice chairman of the Ludlow committee; William A. Hanson, member of the camping committee; E. Wilbur Johnson, organization committee; M. I. Jones, health and safety committee; C. Evert Johnson, advancement committee; Emil S. Nelson, Cub pack committee; Clyde Gilfert, chairman of the troop committee; Leroy Johnson, chairman of the Cub pack committee; C. H. Hanson, secretary; Arthur Christenson and Adolph F. Johnson of the troop committee.

The finance campaign committee expect to complete their work and make the final report at the father and son banquet to be held on February 14. With the fine start made the goal of \$415 will be assured by that time.

The Ludlow district, although located in McKean county, has been in the Warren County Council, Boy Scouts of America, since the early days of the council.

# FULTON, MO.---Where Winnie Will Show Himself to the 'Show Me' State

Court Street, Fulton's main thoroughfare.

Campaigning in Westminster's mock convention.

Westminster Hall, on century-old campus. At right is college gym where Churchill will speak.

FULTON, Mo., where Winston Churchill, accompanied by President Truman, will make an important address on world affairs, lies deep in that mid-section of the U. S. A. popularly supposed to be little concerned over any but its own domestic affairs. But Fultonians have real interest in national and international developments, thanks, to a great extent, to Dr. Frank Lewis McClellan, president of Westminster College. A native Missourian who was graduated from Westminster in 1916, the 50-year-old educator made national news in 1939 when he founded the school's now-noted Institute of Public Affairs. Interest in and understanding of social and political problems were increased among the students and, through them, other Fultonians. The Institute made national headlines in 1940 when it held a national political convention, with delegates from colleges all over the country, at which presidential campaign issues and platforms were debated, more hotly perhaps than at the real Republican and Democratic meetings. Fulton, 26 miles northeast of Jefferson City, is the seat of Calloway county. Its population is slightly over 8200. It was laid out in 1825 and named Volney, but later given its present name in honor of Robert Fulton, the inventor. Its citizens, and those of the surrounding area, raise cattle, mules and hay, make fire-brick and shoes. Nearby are coal mines and mineral springs. Fulton mayor, Frank Henley, is foreman of the brickyard's shipping department.

#### ADJUSTMENTS IN 1946 FOR FARMERS

"There are adjustments ahead for Pennsylvania farmers," says O. C. Tritt, county agent, in commenting on the outlook for farm production in 1946.

In light of the present high cattle numbers, heavily stocked ranges and the strong demand for meat of higher quality, production of beef cattle should be based on the most efficient use of feed, labor and equipment, rather than the demand for meat, he explains. Margins between higher and lower grades of beef will begin to widen, and the change to peacetime production will result in a shift from the slaughter of grass-fattened and partly-finished beef to higher finished animals.

Prices for dairy products are also expected to drop, but not to the 1935-39 levels. There is no indication of a sharp decline in prices such as happened directly after World War I. The county agent suggests that dairy producers keep a close watch on the balance between production and consumption of dairy products, and keep herds operating as efficiently as possible.

Demands for pork are quite strong, but will meet stiff competition from veal, beef and poultry. Production of hogs should be based on the most efficient use of feed, labor and equipment.

Looking at the poultry industry, the county agent sees egg producers working on a more narrow margin this year than in 1945. But there should be some profits in good producing flocks, he adds.

Use of home-grown feeds will continue to be important. Further development and use of labor savers will also continue to play an important role on the average farm.

The shift to peacetime production may not be as sudden or as swift as in industry, but farmers will have to face the fact that these adjustments are ahead and must be expected and properly planned.

#### SEARCH FOR PEACE

An officer in a California Marine Corps recruiting station reports that re-enlistments are increasing weekly, and that many of the volunteers give civilian unrest and strife as their reasons for joining up again.

This is a sad way to get men for our peacetime armed services, badly as they are needed. It is a sad commentary on the country's appreciation of its servicemen's courage and sacrifices, if this reason for re-enlistment is general.

Thus far we haven't seen this reason credited to any except the Marines. Perhaps there's a reason. The Marines have fought hard. They haven't demonstrated to come home so long as they were needed, even when the fighting was over. They are an elite outfit, and proud of it. They also are traditionally a tough, two-fisted outfit. But we can't blame them for thinking that today, all things considered, their corps is about the most peaceable environment on earth.

#### STRIDES IN PERSONAL FLYING

As things look now, the race for the "family airplane of the future" is being won by a new craft with detachable wings and tail which can be driven home like an automobile from the airport. The plane has been tested, but as yet it is not in production. And production need not hurry, it seems to us, for several things remain to be done.

First of all, it may be necessary to devise a sky-road vehicle whose flying parts can be folded or otherwise carried on the vehicle, not stored at a flying field. Next, there will have to be many convenient airstrips built for the use of small private planes.

Meanwhile, the helicopter may catch up with the procession, although at present it still is a difficult craft to fly.

Forecasts of possible employment in Warren county during the coming months, made by Manager David Levine, of the local USES office, indicate that there will be little unemployment here. Mr. Levine has access to much information that is not generally known and he predicts that by July 1st women will again be sought for employment in local plants.

It is interesting to note that within the past 10 years fire insurance rates have steadily dropped in Warren, due to the fine work done by the paid fire department here. The dropping of a cent or two spread over the whole community adds up to a figure which virtually makes the maintenance of the fire department cost practically nothing.

Need of more homes in Warren for the proper housing of citizens was never before so imperative. However, due to restrictions on materials and with the steel and other strikes holding up production of home fixtures, there are few indications pointing to any building during the coming summer.

**"They say I look as I did 15 years ago..."**

Thousands of middle-aged women over the last 8 years have reported to us in language like the above how wonderfully ENDOCREME helps the skin of face and throat to become firmer, fresher, softer, more radiantly youthful looking. The ACTIVOL® in ENDOCREME... an effective replacement for woman's own natural, skin-beautifying substance... is absorbed by the skin to help restore normal growth to ageing cells and tissue. It thus aids in bringing improvement to fading skin to a degree hitherto thought impossible with cosmetics. Ask for and insist upon ENDOCREME. Many report marked benefits in only 30 days.

Also, try the new ENDOCREME Hand Lotion.

**Endocrine**  
... in successful use since 1937

**Revival Continues**

the 11 a. m. service in First Methodist church, Pastor Wayne Pearson will speak on the theme "Religion of Abraham Lincoln". Boy Scout Troop 9 will attend the service in a body. The choir will sing "Thine, O Lord" Macfarlane. Organ music: "Fountain of Life" (Nicodemus), "The Church" (Holland) and "The Religious" (Benetti). Church school will convene at 10 a. m. under the supervision of G. Capell.

seven o'clock on Sunday evening, the final congregational singing and panel discussion will be held. The Youth Fellowship will conduct a worship service at 8:00 p. m. The pastor, Wayne Pearson, will preside over a panel of discussion "What Are the Causes of Crime?". The panel will consist of Judge A. D. Wade, Atty. J. H. Gold, Mrs. Stanley Wright, of the Salvation Army Post, Lt. W. Bean, of the Warren Police, and the Rev. H. H. D. D. The Married Couples' will entertain during the social, during which H. L. Blair show two pictures: "West-er Abbey" and "It's the that Counts."

**Church Notes**

y Father's Business" will be sermon subject at the 11 a. m. Sunday hour of worship in Baptist church, Pastor Milton G. Perry bringing the message "The Church, under the direction of the Holy Spirit, will sing 'Hark, My Soul' by Hay- with Mrs. Clarence Swanson as soloist. The evening gos- ur at 7:30 will be an enjoy- hour for all, with a sermon "The Message From the Sea" Miss Harriet Lind as or- ganist. Church school convenes at 10 a. m., with classes for all ages of the family, and the Fellowship meets at 6:30 in the social room.

PAK meets this Sunday at y Memorial church. Choir sing at 6:00 p. m., supper at 6:30 p. m., followed by a brief worship service, hymn sing, and full movie feature.

Earl W. Carlson announce- special items for his fur- theran parishes: Sharon—The ship training classes will at 7:00 p. m. Monday; Luth- eran at 8:00 p. m. Thursday. Freehold Lutheran League meet at 8:00 p. m. Friday at me of Mr. and Mrs. Luther- an. Hessel—Chandlerville Young Women's Mis- sion Society will meet at 2:00 Saturday, February 9, at the of Mrs. Earl Carlson, ville, and this society will r a social at the Valley r on Wednesday evening, ary 178. The program be- t 8:15 p. m. and all are in-

meeting of the church school and members of the Council- ous Education will be held Wednesday evening, Febru- ary, at 7:30 p. m. in Trinity house.

evenly Friendship" is the chosen by Pastor J. C. Wy- or his Sunday morning ser- vice. Evangelical church, evening worship period, he speak on "The Things We to Heed".

**Joint Portfolio Is Given Rev. Gould By Church Groups**

United Protestant ministry for Pennsylvania takes a forward step today in the election of Rev. Ivan M. Gould as general secretary of the Pennsylvania Council of Churches, general secretary of the Pennsylvania State Sabbath School Association, and executive secretary of both organizations.

This joint portfolio for Reverend Gould is announced simultaneously by Bishop John S. Stamm, of Harrisburg, president of the Pennsylvania Council of Churches, Dr. H. E. Paisley, of Philadelphia, president of the Pennsylvania State Sabbath School Association, and John D. Duff, of Pittsburgh, chairman of the board of directors of the Pennsylvania State Sabbath School Association.

Mr. Gould will assume part time responsibilities in this new capacity February 15th, 1946. Formal installation will take place at the convention of the Pennsylvania Council of Churches in Harrisburg, April 29-30. Until such time as other arrangements are made by the League, Mr. Gould will also continue his duties as general secretary of the Service Men's Christian League.

The Pennsylvania Council of Churches was organized in 1911 and comprises 24 denominations and 53 ecclesiastical bodies. The Pennsylvania State Sabbath School Association, Inc., organized in 1862 and now working as the Pennsylvania State Council of Christian Education, is at present formulating plans for its 84th annual convention to be held October 8-11 at New Castle.

The election of Rev. Gould by both organizations creates a most strategic position in interdenominational Protestantism for Pennsylvania and a challenge for cooperative Christian endeavor. The merger of the two organizations is not contemplated at the present time but the close cooperation which is expected will mean a more united program than has ever before existed.

**Special Events In Sheffield - Ludlow**

Rev. Hans Pearson announces "God's Acre" as the theme of his sermon in Sheffield and Ludlow Lutheran church on Sunday, also that these special events are scheduled in the two parishes:

Bethany—Brief observance of Boy Scout Sunday in conjunction with Sunday morning worship, some of the Scouts participating. Saturday, February 9, the Junior Missionary Society will meet at 2:30 at the church for a Valentine party, the entertainment committee consisting of Mary Lou and Gordon Klingensmith, Patsy and Jimmy Weidner. Monday, meeting of the Brotherhood, with Boy Scouts and Cubs invited to view a film "The Story of a New Mission", and Mrs. Pearson and Mrs. Carl Anderson serving refreshments. Thursday, 6:30 p. m., IHS Class Valentine party at the church. Friday, members of the board and their families will give a reception for new members joining the church in the past year. A short program will be a feature.

Moriah—Boy Scouts will be present at the Sunday morning worship and participate in the service. There will be a Swedish service at four in the afternoon and deacons of the two churches will meet at five o'clock to arrange the schedule of services. Wednesday, 2:30 p. m., Martha Society at the church. Thursday, 4:15 p. m., confirmation instruction, and 6:00 p. m., Boy Scout banquet.

## Volunteers Needed To Help Pack Collection of Clothing

Tomorrow afternoon the packing of the garments for the Victory Clothing Drive will be completed at the collection center at 440 Pennsylvania Avenue West. It is important that the work is done as speedily as possible so the two freight cars on the Pennsylvania Railroad tracks will be loaded by the end of the afternoon.

More Volunteers are needed if the work is to be completed in the allotted time. Men or boys willing to lend a hand for a vitally important cause are asked to call 1513 or come to the center any time after one o'clock tomorrow afternoon.

The Exchange Club is supervising the packing, with the assistance of the Boy Scouts and the Boys' Department of the Y. M. C. A. But more workers will be needed to keep the boxes moving at the required rate of speed, to assure shipment on schedule.

Warren county has shown a ready and generous spirit in the drive. The same spirit of cooperation in packing and shipping will complete the drive and get the much needed garments on their way to people who are suffering desperately because of regrettable delay. President Truman's message this week gives added emphasis to the extent of the suffering and unprecedented need in Europe and Asia.

They are depending on us as we depended on them to take the brunt of the war while we made preparations. All they are asking now is a chance to help themselves. Clothing is still being accepted at the center and will be until tomorrow afternoon.

### Grand Valley Rite Of Interest Here

A beautiful ceremony was solemnized in the United Brethren church at Grand Valley on Saturday, January 26, at 2:00 p. m., when Margaret Louise, eldest daughter of Mr. and Mrs. B. R. Van Guilder, became the bride of Clarence H. Ongley, son of Mr. and Mrs. Charles E. Ongley, also of Grand Valley.

Preceding the ceremony Miss Edith Shearer, of Warren, played a recital of appropriate wedding music and accompanied Mrs. Norman Pierce, of Warren, who sang "Because" and "I Love You Truly". The traditional wedding march from "Lohengrin" was played as the bridal party came down the aisle. The pastor, Rev. George R. Slaughenaupt, performed the ceremony before a background of ferns, lighted candles, and baskets of yellow and white chrysanthemums.

The bride, given in marriage by her father, wore a gown of white. The bodice was of broad satin with full length sleeves and the floor length skirt was of marquisette with a lace trimmed train. Her fingertip veil was crowned with orange blossoms and her bridal bouquet was of white carnations. Mrs. Richard E. Pierce, matron of honor and sister of the bride, wore a gown of light blue taffeta with a head-dress and arm bouquet of pink carnations. The two bridesmaids, a sister, Miss Dorothy Van Guilder, and Mrs. Noble F. Clark, wore matching taffeta gowns of blue and rose respectively, and their arm bouquets and headresses were of yellow and pink carnations.

The groom's best man was his brother, Wendell Ongley, with Noble Clark and Harold Thompson acting as ushers.

The mother of the bride wore an aqua woolen dress and a corsage of gardenias. The groom's mother wore a dress of black crepe and corsage of gardenias.

Following the ceremony a reception for 55 guests was held at the bride's home. The beautiful three-tiered wedding cake was topped with a miniature bride and groom.

The bride is a graduate of Youngsville High School and completed a two year course at Houghton college. She was recently employed in the office of Penna. Furnace and Iron Co., of Warren.

The groom is also a graduate of Youngsville High School and attended Penn College in Cleveland, Ohio. He was recently discharged from the army after having spent two years overseas.

### Scout Observance At Grace Church

Scout Sunday will be observed at the 7:30 evening service in the Grace Methodist church. Troop 2 and Cub Pack 2 will be in attendance, also the McCurdy Men's Class, the sponsor of both organizations. Pastor Harold Knappenger will speak on "David and Goliath", a special sermon for boys. A double quartet will sing "Just for Today".

At the morning worship service, the choir, under the direction of Mrs. Edwin Jack, will sing "Even Me" by Warren with Earl Ericson in the solo part. The pastor will speak on "Open Windows of the Soul".

The Prayer Circle will meet Monday at 7:30 in the following homes: Gustav A. Carlson, 808 Conewango avenue; O. W. Kyles, 1413 Prospect street; Howard Hulings, 207 Lexington avenue; Lewis Arner, 107 Russell street; George Pierce, 6 Malvina street; Mrs. Ina McMichael, 414 Market St.; Donald Morrell, 202 Seneca St.

**BROTHERHOOD AT CLARENDON DINER**  
Evangelical church at Clarendon The Albright Brotherhood of the was entertained Thursday evening in the church when the Ladies' Aid assisted by the wives of the Brotherhood served a delicious ham dinner to seventy-five who were present. The dining room was attractive in Valentine decorations for the occasion. At the speakers' table were seated officers of the two organizations. George Seavy introduced the speaker of the evening, Hon. Allison D. Wade, who spoke on the subject "The Youth Problem of Our Day." Mr. Wade enlarging on the subject said the responsibility for the situation is on those grown older in years. He also stressed the important part the church, home and school figure in development of our boys and girls. Judge Wade was heartily applauded at the conclusion of his talk. Verne Albaugh led the group singing with Mrs. Ned Henry at the piano. A rising vote of thanks was extended the ladies for the success of the evening made possible by the delicious dinner and enjoyable program.

# To VETERANS AND THEIR BRIDES or Their Brides-to-Be....

Watch for the men who wear this button on the lapel of their coats. These are the boys to whom we owe so much... former service men, honorably discharged. Let's go out of our way to give these fellows a break. Let's show our gratitude to them in every possible way. If it were not for them, we would find the barbaric Jap on our own doorstep right now... our country invaded.

We are reserving a royal welcome for every serviceman and his bride, or bride-to-be, who visit our store. And this welcome will be just as cordial, just as sincere, just as warm whether they buy or not. They are welcome to come here at any time, stay as long as they like and just "aisle-shop." If they want to make a purchase, we'll see to it that they get a "top" value with the longest, easiest, most liberal terms possible to extend.

## Letters Marked PERSONAL

Could These Have Been Addressed to You?

TO THE GIRL I ALMOST MARRIED:

Do you want to know what made me walk out on our announced engagement? I loved you and I still do, but I just couldn't see our getting married, not after that Thanksgiving dinner at your house. Oh, there was nothing wrong with the dinner. It was something your Uncle Jerry did or tried to do that made me start thinking; made me decide you weren't the girl for me. Your uncle was trying to make a bet. From the conversation, low-voiced though it was, I gathered he had made the same bet too often before, had always won. No wonder there were no takers. I'm pretty sure you don't know what it is your uncle has been betting on these last few years. It's whether or not you will get up once from the table to help your mother with the meal!

FROM A CHILD TO HER FATHER:

Daddy, I know what it's like when my foot goes to sleep. I get pins and needles in it. So I guess I know how it is with you mornings. All of you wakes up except the nice part. Your voice isn't jolly and everything makes you cross. The way I get the pins and needles out of my foot is by getting up and walking around. Couldn't you do something like that to get the pins and needles out of your voice before you use it in the mornings?

McKENNEY ON BRIDGE

PUTTING ON DOUBLE SQUEEZE WINS BID

By WILLIAM E. MCKENNEY  
America's Card Authority

In Memphis, Tenn., recently, John D. Bibb, of Anniston, Ala., gave me a couple of pretty squeeze hands that came up during the New Orleans tournament.

In today's hand Bibb was using the Blackwood four-five no trump convention, and when he located the ace and king of clubs in his partner's hand, he knew he ought to have a good play for seven no trump. However, it took a double

squeeze to make the contract. Bibb won the opening lead with the diamond king and ran the five heart tricks, discarding two diamonds from his own hand. He then cashed the king and queen of spades and ace of diamonds. When he played the ace of spades, East had to hold the jack of diamonds and therefore had to let go a club. West could not project the spade suit and the clubs. Now the location of the queen of clubs did not matter. All Bibb had to do was cash out the clubs for the balance of the tricks.

## Greyhound Bus Driver Averts Collision With Parked Car

Harry H. Nelson, Ashtabula, O., averted a crash of big Greyhound bus he was driving near Pittsfield he was driving near Pittsfield with a parked car. The bus swung wide to avert the collision with the car driven by Anna R. Sachoslick, Marienville, left the roadway and ended up in a field from which it was driven and resumed its trip.

Miss Sachoslick had parked on a curve due to a flat and the bus swung around the curve at almost

the same time a car driven by Ray R. Greenless, R. D. Pittsfield, approached from the opposite direction. Driver Nelson saw there was danger of a crash and swung the bus to clear the parked car and the Greenless car hit the bus throwing the big machine off the road and into a field.

The Greenless car was damaged to the extent of \$150, the state police report, and the Sachoslick car suffered \$20 damage.

State police investigated the accident and no arrests were made.

# DRAGONS IN LEAGUE ENCOUNTER AT MEADVILLE TONIGHT

## Expect Stiff Tussle From Bulldogs on Home Hardwood; Only 5 Games Remain on Card

Warren High's Blue and White hoopers hope to edge a step nearer another District Ten, Section Two, title with a victory over the hapless Meadville Bulldogs tonight on the Meadvillers' home court at 8:30. A win for the Massmen would be the 17th in 18 starts this season.

The Dragons, who handed the Crawford county boys a 53-36 shellacking here several weeks ago, will go all out to clinch tonight's encounter, for a loss would virtually eliminate the locals unless they could gain a tie with Franklin.

The Meadville outfit has engaged in sixteen games this season, but has won only one match—a narrow win over an alumni team. The Bulldogs' diminutive forward who tallied 20 points in his appearance here but they lack height.

The Bulldogs are one of two outfits which have been able to score more than thirty points against the Dragons this season. Only the Crawfordites and Titusville accomplished this feat, and both added up 36 markers in respective Warren meetings.

The size of the Meadville floor will have much to do with the outcome of tonight's battle. The court, short and narrow, may limit the big Dragons in moving freely enough to work their plays against Meadville's man-for-man defense.

The Dragons may be without the services of forward Dick Harris again tonight. Harris, who just recently recovered from a sprained ankle, has been out of practice for two days nursing a foot injury. Either Gail Nelson or Tony Vesco will get the replacement call in the event Harris is unable to play.

The home team will send Nigro and Thurston in the forward posts; Hildreth at center; and Chisholm and McMahon at guards. The locals' mentor, Joe Massa, will use his usual lineup, with Reed and Sealise at Guards, Big Jack Eaton at center; and Babcock and either Harris, Vesco, or Nelson at forwards.

There will be a 7:30 preliminary tonight between the second teams of the two schools. The main game is scheduled for 8:30.

## Struthers Thumps Blomquists, 40-22, To Tie Penn Bottles; Bakers Beat Youngsville, 25-23

Struthers Wells climbed into a two-way deadlock with the Penn Bottles of Sheffield for the top position in the City Basketball League last night by whipping Blomquists, 40-22, in the main game of a double bill at the Y.

And in the preliminary, Bakers edged the Roller Rink of Youngsville, 25-23, for the Cleaners' first win this half and to gain a fourth place tie with O'Connors of Sheffield.

It was "Tink" Wolfe heading the parade for the Wellmen last night, the short, stocky forward throwing six goals into the hoop and a foul point for a grand total of 13. Gibby Reynolds, whose addition to the Blomquist crew has strengthened its roster extensively, tallied 7 to lead the losers.

Struthers had little trouble in building up, and maintaining a commanding lead. At the end of

In the preliminary last night, Billy Massa burst the bubble that broke a 23-23 deadlock and gave the Bakers Cleaners a two-point decision over the Youngsville Roller Rink, 25-23.

After building up a first half lead, Youngsville fell back in the third period as the Cleaners tied the count at 19 apiece when the period ended. The teams battled on even terms until only seconds remained in the final stanza before whistletime.

Billy Massa broke loose and sent the oval swishing through the hoop to clinch the win for Bakers.

## Banquet By Stone Class Held Wed.

The May R. Stone Sunday School Class of the First Presbyterian church held its annual banquet Wednesday evening, February 6th at the X. W. C. A. Mrs. May R. Stone, teacher of the class, was the guest of honor. Places were set for 31 persons. The class secretary, Miss Margaret Whitcomb and the treasurer, Mrs. Janet Arnold gave their annual reports.

Mrs. Dorothy Calderwood delighted the group with several piano solos, rendered between the dinner courses. A surprise ending to the dinner program was a toast by Mrs. Dorothy Stone to the toastmistress, Miss Thurston, who has so graciously served the class on repeated occasions in that capacity.

The group later adjourned to the parlors, where Mr. Andrews, of the Bell Telephone Company gave a brief lecture, in which he explained the main points of the \$150,000,000 expansion program for Pennsylvania as follows: 1. To end all telephone waiting lists. 2. To provide you with finer telephone service. 3. To make available to you the latest communication developments of the Bell Telephone laboratories. He illustrated his lecture with the following moving picture films: "Hello, Mom, I'm back", "Heritage of Victory", "The Telephone Hour". It was a very interesting and instructive program.

Before adjournment Mrs. May R. Stone was presented with gifts of flowers and candy as tokens of esteem from the class.

The members of the committee in charge of plans for the occasion were: Mrs. Dorothy Stone, Mrs. Ida Cannon, Mrs. Nina Cochran, Mrs. Agnes Johnson, Mrs. Loretta Hulings and Miss Ethel Hodges.

## UNO Justice

B. D. Henderson, director of purchases for Westinghouse, gave a very interesting talk before the members of the Purchasing Agents Association of Northwestern Pennsylvania and guests at the Carver Hotel February 7th. Mr. Henderson's subject was "Purchasing Profits Through Inventory Control." He emphasized the importance of inventory control and pointed out how it is of primary importance to the purchasing agent.

H. W. Ledebur led a discussion on steel and summarized the present situation very well and contributed much to the program.

E. F. McCollough, national director, made his regular report on the activities of the sixth district.

C. H. Holden briefly discussed the educational program being sponsored by the National Association of Purchasing Agents. It was decided to hold a special meeting in about two weeks to investigate this program more thoroughly.

The attendance was very good considering the extremely bad weather conditions, and this proved to be an outstanding meeting because of the fine program presented.

President E. W. Walker presided in a very capable manner as usual.

PASSES WRITTEN TEST

George Sherwood Miller, who flew a fortress in bombing expeditions in the war, has passed the written tests for a rank of captain with a pilot's license with the Continental Air Lines at Denver, Colo., it has been learned here. It was inadvertently stated earlier in the week that Mr. Miller had received his license after having passed his examinations. With his wide experience in flying private planes and bombers Mr. Miller's friends are confident that he will soon be piloting a transport plane.

## Youngsville Tax Rate Set At Twenty Mills For Year 1946

Youngsville, Feb. 7.—At a recent meeting of the Youngsville council the proposed budget for Youngsville borough was adopted. In Ordinance No. 186 the tax rate for 1946 was fixed at 20 mills.

The budget as proposed estimates from general borough accounts and the accounts of the public utilities accounts would give the receipts of \$43,413.00 and the proposed expenditure of \$36,918.

The proposed expenditure for general accounts include a few major projects for construction and repair of streets in the borough of Youngsville and major equipment needs. The utilities needs include the purchase of equipment and the extension of the present system.

Application has been made to the Penna. Electric Company for a street light to be placed on the I. O. O. F. alley directly across from the rear entrance to the I. O. O. F. building. The light will not only light the street but also provide light for the lot at the rear of the building which is used as a parking lot.

It was decided at the meeting to purchase several new parking signs to be placed at the discretion of the chief of police and the street committee.

An adjourned meeting of the borough council will be held on Feb. 11.

**PLAN FOR CARD PARTY**  
The I. O. O. F. and Rebekah lodges of Youngsville are holding a card party in the I. O. O. F. hall on Wednesday evening, Feb. 13th. Auction, contract bridge and 500 will be featured with prizes. A luncheon will be served. The party is open to the public.

**ORANGE CIRCLE**  
A pleasant meeting of Orange Circle was held Wednesday afternoon at the home of Mrs. Gurney Ball. The game of hearts was played with awards given to Mrs. Chas. Dyer and Mrs. Ed Chapel. A cooperative dinner was enjoyed.

The Circle decided to cooperate with other circles in a Christmas bazaar was featured.

**WEDDING IN YOUNGVILLE**  
A pretty home wedding was held Saturday at the home of Mrs. Larry Mourer, of Youngsville, when her brother, Frank E. Chase, of Corry, was united in marriage to Miss Shirley Bemis, daughter of Mr. and Mrs. Harry Bemis, of Corry. The ceremony was performed by Rev. J. E. Strong. The bride was dressed in navy blue with corsage of pink roses. A wedding dinner was held at the Mourer home. The bride and groom enjoyed a wedding trip which included visits with friends and relatives in Erie and Meadville. A shower was held at the home of Gus Swanson in Corry, where the bride received many lovely gifts. Their home is to be at 215 W. Columbus avenue, Corry.

The groom was recently discharged from the army after four years of service and is now employed in the Corry-Jamestown shop in Corry.

**LOCALS**  
V. D. Smith left Sunday evening by train for New York City where he met his son, Sergeant Ronald Smith, and wife and with them started Monday for Miami, Florida, where they will spend some time. Mr. Smith's many local friends hope the trip may be of great benefit to his health.

The union leadership training school of Youngsville held a good session at the Methodist church Monday evening. The next session will be next Monday at the same rooms. On Feb. 18th and 25th the meeting will be in the Lutheran church.

Miss Roberta Lodge, who has been for a number of years the faithful pianist of the Methodist church, has tendered her resignation and the music committee is now considering a successor.

Mr. and Mrs. Ed Abraham are now in Norco, Calif., and report that they enjoy the sunshine and delightful weather there.

C. B. McAllister and John Knapp acting as a committee for the board of trustees, have removed the bulletin board from the front of the church and it is now being remodeled at the Johnson mill and will be replaced at the front of the church when complete.

Mrs. Ethel Wesley is now a patient at the Warren hospital. She was taken very ill this week.

Rev. E. W. Chitester, Methodist pastor, will speak on the subject, "Carry Your Cross," Sunday at 11 a. m. service, and again at 7:30 p. m. with the Youth Fellowship choir singing. Mrs. Kathryn Helker is now in charge of the Intermediate Youth Fellowship group at 6:30 p. m. in the Methodist church.

**GARDEN CLUB**  
Mrs. Nellie Anderson and daughter, Mrs. Freeman Brown, were hostesses Tuesday evening to the Brokenstraw Garden Club meeting at the Anderson home on West Main street. A delightful thirteen dinner was served at 6:30 p. m.

The roll call was given with responses in the form of Valentine sentiments. A greeting to the club was received from Mrs. Allie Barton, a former member, now residing at 4060 First Ave., N. St. Petersburg, Fla.

A short social time was spent in playing the game of Hearts, propounded to the Valentine season. Numerous prizes were given. Mrs. C. C. Johnson presided at the business session. Mrs. E. C. Stillings, as chairman of a committee, reported on revision of the constitution of the Brokenstraw Garden Club. The revision was accepted by the club with one slight alteration of the new bylaws and constitution.

Roy McDowell, the program leader, gave a very interesting and helpful talk on the topic of "Indoor Gardening," covering fully the care of house plants and the planting of seeds indoors for early development of summer plants. He explained the use of a wick in watering the roots of indoor plants. He also distributed a leaflet on the topic published by Cornell University.

**SERVICE CLUB**  
The Youngsville Service Club which met Monday evening of this week, received a citation from Pennsylvania State for their service in salvaging paper.

The club decided to make a new file of names of the in T. S. service and desire all relatives of men in service to give the present address of same to Mrs. Rose Abernethy, secretary. Mrs. L. L. Johnson was elected treasurer of the club to take the place of Mrs. Phyllis Brennenman Abernethy, who is now with her husband in Texas.

Please get the addresses of service people whether the address are old or new to Mrs. Abernethy, 1st st. so all local men or women in service may receive an Easter remembrance from the club.

## Committees Are Named At Clarendon

At the regular meeting of Clarendon borough council held Tuesday evening, February 5th, the resignation of Councilman John Smith was presented and regretfully accepted.

By motion Wayne Kinch was elected to council to fill the two-year vacancy thus created.

President John Hickey presented committee appointments to be in effect for the duration of their respective terms, as follows:

Finance, Wayne Kinch, chairman; Rex Baker, Clayton Larson, Ordinance, C. Larson, chairman; Carrol Waldek, Gust Johnson, Streets, C. Larson, chairman; Clayton Simpson, C. Waldek, Sidewalks, C. Simpson, chairman; R. Baker, W. Kinch.

Buildings, C. Waldek, chairman; G. Johnson, W. Kinch.

Health, R. Baker, chairman; C. Simpson, W. Kinch.

Poor, G. Johnson, chairman; R. Baker, C. Waldek.

Fire and Water, R. Baker, chairman; C. Simpson, G. Johnson.

Sewers, G. Johnson, chairman; C. Waldek, C. Larson.

In addition to the regular monthly business, an ordinance fixing the rate and levying the taxes for the year 1946 passed final reading, holding taxation for general borough purposes to 10 mills.

A poll of council gave hearty approval to address by Burgess White in which he stated his viewpoints regarding many civic problems and calling for immediate unified action on the part of the various committees involved.

His address was highlighted by a request for a special committee comprised of councilmen and or public spirited citizens for a detailed study of borough conditions, giving special attention to unused buildings and properties and keeping constantly before them the ultimate goal—a more cleanly, more brightly town in which to live, a town of which all may be proud, a town so outstanding that it will ultimately invite the attention of new industries to avail themselves of our many attractive offerings in good homes, good properties, railway and highway facilities, lower taxation, and the natural resources of our community.
